Steps for applying to register as a Nutritionist (under Allied Health Professions Act - AHP Act 774)

In accordance with the provisions of Section 46(1) [Act 774], the Malaysian Allied Health Professions Council (MAHPC) has set the transitional period for registration for Allied Health Practitioners to be from **1 July 2022 to 30 June 2025.*

A transition period is a period of time given for any practitioner who has been practicing in the Allied Health Professions before the Act came into force to apply to be registered as an allied health practitioner under section 17 as determined by the Council.

Below are the steps to apply for registration as a Registered Nutritionist using the Malaysian Healthcare Practitioners' System (MHPS):
